WHEREAS, as a preliminary step to exercising the authority conferred upon Iowa counties by Chapter 403 of the Code of Iowa (the "Urban Renewal Law"), a county must adopt a resolution finding that one or more slums, blighted or economic development areas exist in the county and that the development of such area or areas is necessary in the interest of the public health, safety or welfare of the residents of the county; and

WHEREAS, the Board of Supervisors (the "Board") of Winnebago County, Iowa (the "County") by resolution previously established the Winnebago County UR-2 Economic Development District (the "Urban Renewal Area") and adopted an urban renewal plan (the "Plan") for the governance of projects and initiatives to be undertaken therein; and

WHEREAS, a proposal has been made which shows the desirability of expanding the Urban Renewal Area to add and include all the property (the "Property") described on Exhibit A hereto; and

WHEREAS, the proposal demonstrates that sufficient need exists to warrant finding the Property to be an economic development area; and

WHEREAS, an amendment (the "Amendment") to the Plan has been prepared which (1) covers the addition of the Property to the Urban Renewal Area; and (2) authorizes the undertaking of new urban renewal projects in the Urban Renewal Area consisting of (a) using tax increment financing to pay the costs of constructing county road and bridge improvements for the betterment of transportation infrastructure and the promotion of economic development; and (b) constructing a new building for use by the County's Secondary Roads Department; and

WHEREAS, portions of the Property lie within and within two miles of the incorporated limits of the Cities of Lake Mills, Iowa; Leland, Iowa; Forest City, Iowa; Scarville, Iowa; Rake, Iowa; and Thompson, Iowa (collectively known as the "Cities"), and certain agreements (the "Joint Agreements") have been executed by the Cities to satisfy the consent requirements of Section 403.17 of the Code of Iowa; and

WHEREAS, notice of a public hearing by the Board of the County on the question of establishing the Property as an urban renewal area and on the proposed Amendment for the Urban Renewal Area was heretofore given in strict compliance with the provisions of Chapter 403 of the Code of Iowa, and the Board has conducted said hearing on July 2, 2024; and

NOW, THEREFORE, It Is Resolved by the Board of Supervisors of Winnebago County, Iowa, as follows:

Section 1. An economic development area as defined in Chapter 403 of the Code of Iowa is found to exist on the Property.

Section 2. The Property is hereby declared to be an urban renewal area, in conformance with the requirements of Chapter 403 of the Code of Iowa and is hereby designated the July, 2024 Addition to the Urban Renewal Area.

Section 3. The development of the Property is necessary in the interest of public health, safety or welfare of the residents of the County.

Section 4. It is hereby determined by this Board of Supervisors as follows:

A. The Amendment and the projects and initiatives described therein conform to the general plan of the County as a whole;

B. Proposed economic development projects described in the Amendment are necessary and appropriate to facilitate the proper growth and development of the County in accordance with sound planning standards and local community objectives.

C. It is not anticipated that any families will be displaced in connection with the County's undertakings under the Plan, but should the need arise, the County will develop a feasible method of relocating such displaced persons into decent, safe and sanitary dwelling accommodations within their means and without undue hardship.
